Shop Hop

Shop Hop, a unique pre-holiday shopping event, is the signature fundraiser for the local non-profit DARN (Developmental Assets Resource Network). This 501c3 organization, comprised of school counselors, teachers, community leaders and caring residents, is committed to helping Bexley area families with resource and material needs that fall outside of their financial reach.

The Goal

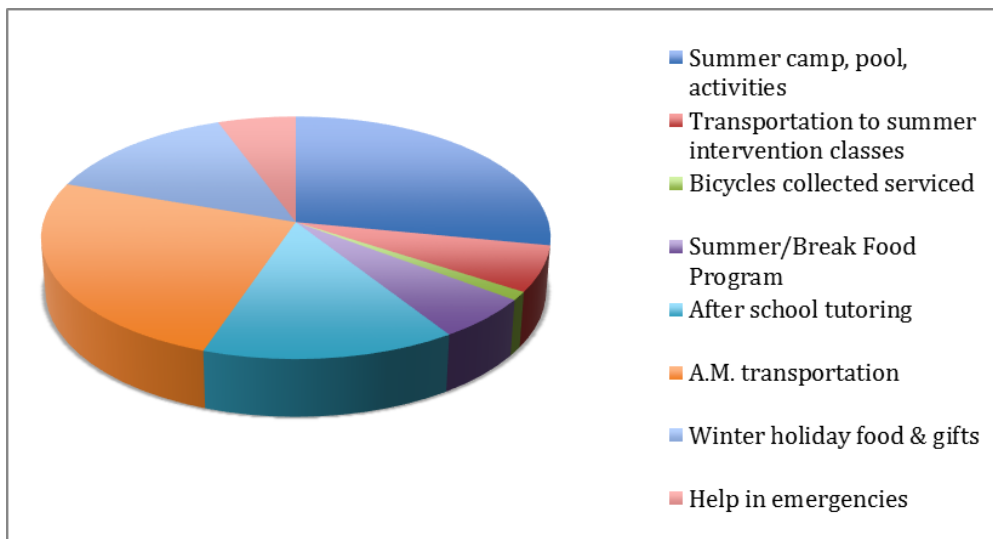

Shop Hop seeks to provide resources to empower local families who are struggling to meet school, medical and basic needs.

Where Your Support Goes

Scholarships for the Jeffery Camp Summer program, a safe, supervised and fun experience for students who otherwise would not have the opportunity to experience camp.

Individual Families for school-related fees for items like musical instruments, field trips, sports participation, transportation, out-of-pocket medical expenses and others.

Students who require winter coats, boots, clothes, school supplies, back packs, bicycles, lunch boxes and other ongoing necessities.

Thank You

If you have been involved with DARN or Shop Hop in the past, we thank you for your support and invite you to partner with us again this year.

Why Get Involved?

Shop Hop is the only event of its kind addressing these local needs.

DARN and Shop Hop are 100 percent volunteer-driven.

We are growing! Attendance has been increasing every year, with 400+ residents walking through the door at each event.

Even as we continue to grow, we struggle to keep up with the needs of the community.

Shop Hop gives you a unique opportunity to make a direct impact on lives at a local level. The difference is very real and absolutely immediate.
